CHAPTER 36

*Strange Rains*

Kill No More

*Alright, there  
are no signs of  
life nor hints  
of traps.*

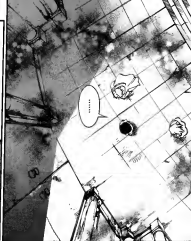

*Purity,  
come on!*

*This carving is  
really creepy.*

It looks really spooky.

Huh?

That's right!

By that logic, the more terrifying, the better: it's more likely to be unlocked, got it?

Have you ever heard of a treasure being that's not creepy and scary? If it is, then it's frightening enough, others would've carried off the treasure long ago.

IMMEDIATELY!

HURRY ALONG.  
HURRY ALONG.  
FORTUNE IS  
WAITING FOR US!

SWASH!

SWA  
HA  
HA!

Oh yeah!

But this passage is overflowing with treasure!

REBECCA

I sense a strong  
emitting energy at the end  
of this dark passage.

REBECCA

I'm going to  
take a look at the  
dark one.

17

HUK!!!

KEEP YOUR HANDS OFF MY GOLDEN BOY, YOU NASTY HUNK OF SCRAP METAL.

ABSOLUTE PROTECTION BACKLASH!

MY DEAREST  
GOLDIE, I'VE LET  
YOU DOWN. I CAN'T  
RISK THE TREASURES  
I'M CARRYING AND MY  
DREAMS OF AN IDLE  
LIFE JUST FOR YOU.

HEY, WHERE  
IN TARNATION IS  
LIOLA?

Liola, do  
you believe  
in fate?

Don't you think that  
our meeting was predestined?  
If not for someone's request, I  
wouldn't have been captured. If I  
weren't skilled in healing, the  
organization wouldn't have saved  
me. If you weren't unexpectedly  
injured, you wouldn't be here  
for me to patch you up.

No.

I believe that there  
was a deep purpose behind  
our meeting. I really wish  
that you won't avoid that  
important purpose.

I believe  
in destiny,  
Liola.

All right.

Please!

*It's  
actually...*

*...not a  
sculpture!*

You're right,  
he's white.

*Except  
for its color,  
this dragon  
really resembles  
BaoLong. Can  
it be that...?*

You have  
my heart's heart  
on you.

This place is  
linked to him, and  
BaoLong's father is  
here as well. Is all this  
predetermined by fate?

You want  
BaoLong  
back?

His mother was a  
white dragon.

(BaoLong?) You've  
named him?

Well, okay.  
Goodbye!

Goodbye!!

What? You want  
to kill me?

Too bad  
you're the kidnapper's  
master, because I must  
kill you. But on your killer,  
let me introduce myself  
before you die.

You're very  
strange forward,  
I admire that  
quality.

Why would I want  
that cup?

I AM  
MILLO. AND  
YOU, MASTER  
OF MY CUB,  
ANNOUNCE  
YOURSELF.

THANK GOD!  
I'M GONNA  
ESCAPE NOW.  
HAVE A GOOD  
CHAT WITH  
BACLONG'S  
DADDY!

Liola,  
what's behind  
that door?

LIOLA!

!?

!?

Nothing.

L

For that,  
you need to  
ask our great  
sorcerer, Sir  
Meinan.

Who would have  
thought that it would  
turn into a real hound  
and chase me?

I merely  
stepped on a hound  
sculpture's tail  
accidentally.

They call this  
"Outdoor Survival."  
Seriously, as if anyone in  
this entire world could  
actually survive this.

THIS  
PLACE  
IS TOO  
WEIRD.

SAY

THAT  
WRETCHED  
GRANDPA  
BARBALIS  
OBVIOUSLY  
PLANNED TO  
LET ME DIE  
HERE.

I'LL PLUCK OUT  
HIS BEARD WHEN  
I GET BACK, OR I  
WILL CHANGE MY  
NAME TO KAZI.

T/W: KAZI: SLING FOR RICH, DOLLIPLE FOR

The Lower  
Dragon Plains.  
Barbalis? Really?  
Maybe Liole can  
handle that, but... he's  
a bit too much for  
the others?

Kick back  
and relax. We  
won't lose a  
single boy.

What if...?

Lies may get  
careless after all.

No, I mean, won't be able to break his protective barrier!

The strongest dragons on the Lesser Dragon Plains are just fifteen meters tall and twenty-five meters long – the Lesser Lelund dragon. Mainan's protective barrier is as thick as his skin. If were Lesser Lelund won't be able to pierce his skin –

As for Purity, she's even less of a worry. Once that little girl gets real mad, you will know the true meaning of mortal weapon.

Although we don't know Kaiser's fighting ability, his skill at running away is second to none!

Rebuilding the dome takes a month? Even a week is excessive.

If he uses all the resources available in Alcatraz Academy, the dome can be built in a day. In the past, the palace of the crown prince of the Dragon Empire took just three weeks to complete.

One month is a long time. Why did you put them in Lesser-Dragon Plains for so long?

Well, partner, I need at least a month to rebuild the dome, right?

This isn't going to be a normal dome, is it?

IT WAS  
DESTROYED  
THIS FAST?

UH-  
OH! THE  
THREE-  
HEADED  
HOUND  
CAN'T  
COPE!

Mean-  
while...

MY LEGS ARE  
ALL WOBBLY.

I can't...  
run anymore.

You're going to  
take him on?

MAKER,  
DRAG THEM  
TO THE SIDE.  
GET HUMAN  
TO MOVE HIS  
PROTECTIVE  
BARRIER.

Do you have  
any chance of  
winning?

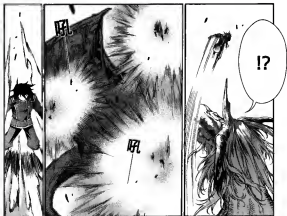

I'LL  
MAKE  
SOME  
TIME FOR  
YOU GUYS  
TO RE-  
COVER.

LOLA, IF YOU  
DON'T SLAY  
HIM, HE WILL  
DEFINITELY  
KILL YOU!

THAT  
DRAGON CAN'T  
BE CONSIDERED  
HUMAN, CAN HE?  
YOU WON'T BE  
BREAKING YOUR  
PROMISE EVEN  
IF HE GETS  
KILLED.
